

Beyond ordinary in pursuit of excellence

I believe a work place should recognize me for what I am

I want to work for a company that allows me room to grow

I believe in earning respect through my work. That gives me high self-esteem. In my interface on a professional plane, within and outside the organization. But, that is just one facet of my persona. As an individual I perform many roles, most of them with distinction. I want to be treated with respect and dignity. I won't compromise on that. When I leave for work each day, I want to see that smile in the mirror. That's me.

Mastek is a Rs.166 crore, global IT services company with operations in USA, UK, Germany, Malaysia, Singapore, Japan, Switzerland and Belgium. It's over 950-strong team has helped achieve outstanding results in prestigious projects for Fortune 500 companies. Mastek offers an open and challenging environment along with an attractive compensation package and stock options.

What task would I take on as an Internet professional?

You should be a BE/MCA/MBA from a recognized university/institute with 5 years experience, of which at least 2 years in any of the following areas:

Languages: C, C++, VC++, Java, Javascript, HTML / DHTML, XML, ASP, PERL, Java/Java2, ActiveX, VB Script, CGI

Tools: Visual Interdev

Middleware: Tuxedo, MSMQ, COM/DCOM/ATL, Corba/Orbix, Java Beans

Servers: IIS 4.0, APACHE & Cold Fusion

Database: SQL Server, Oracle 8i

Right attitude and excellent communication skills are a must. Positions exist in Mumbai & worldwide.

As a Mastekeeper

You have a say in what your key result areas will be. That includes what you want to learn, and when. Discover a people-first organization in its many manifestations. Where team spirit permeates the workplace. Whose systems, values and practices are uniform worldwide. Work on global assignments where learning is all the time.
