

At Oracle, freedom has 'N' dimensions

At Oracle, we believe that liberty is the essence of existence. And achievers excel when they are under no constraints. Freedom of thought, expression and action is a foregone conclusion. And freedom to earn, learn, participate, contribute, explore, experiment are a matter of right.

We ensure that you enjoy the freedom to produce your best. By reducing the hassles of relocation and providing transit flats and company-leased accommodation. By making sure that high quality, subsidised food and refreshments are available throughout the day. And arranging transportation at all hours of the night. By taking care of the little things like credit card membership fees and Group Mediclaim Insurance.

Oracle Corporation is the world's leading supplier of software for information management, and the world's second largest software company. Headquartered in Redwood Shores, California, we employ over 37,000 top notch professionals. With annual revenues of more than \$7 billion, we offer our database servers, application servers, tools, and application products, along with related consulting, education and support services in more than 140 countries around the world. Our India Development Center (IDC) works on leading edge technologies in a state-of-the-art facility.

Oracle India Development Center has grown from 4 people in 1994 to over 150 today. We are now looking for someone like you to be part of our team. To qualify for the following positions, you must be a BE / B.Tech, ME / M.Tech or MCA.

Systems Software Professionals : Unix & Windows Internals

Project Leaders must have minimum 5 years relevant experience, while Team Members require at least 1 years' experience. Proficiency in Unix Internals, C Programming, Unix Kernel, System calls, Java programming, C/C++/VC++ programming, Windows NT/95/3.1 internals.

If the prospect of working with Oracle IDC excites you, walk in to meet Satish and Prema at Maurya Sheraton Hotel & Towers, Diplomatic Enclave, New Delhi - 21 (Tel: 011/ 6112233) on 12th Sept. You may also write to the HR Department, Oracle Software India Ltd., India Development Center, Embassy Point, 150, Infantry Road, Bangalore - 560 001. Tel: 225-6099. Fax: 225-6207/1591. e-mail: idchrd@in.oracle.com
